

**Parent Information Regarding retake day:**

If your student was absent on the first Fall Picture Day or is a new student AND you still need to place an order, you can go to <https://inter-state.com/flyerentry> and enter code: **65903J**

If you were not happy with your student's fall pictures, please send the picture packet you received with all of the picture sheets enclosed with your student to school on **Tuesday, November 30th**. They will need to give the packet to the photographer. If you originally never ordered and just received the second chance proof it is not necessary to bring that back.
